

Financial Hardship Assistance

We want every parent who could benefit from using the OurFamilyWizard® toolset to be able to do so. But we understand that some may not have the financial means to purchase an annual subscription, which is why we have offered assistance to parents experiencing financial hardship since our inception. Parents who are eligible may qualify for discounted or free subscriptions through this program.

Application Instructions

Please follow the instructions listed below when applying for an OurFamilyWizard scholarship account. If you have any questions that are not answered by these instructions, please contact our customer support team at **(866) 755-9991** or **info@ourfamilywizard.com**.

- **Step 1:** Applicants must be able to complete all required contact information fields in the application in order for their submission to be processed. Please provide a phone number and/or email address for the co-parent. This information is required in order for OurFamilyWizard to be able to connect parent accounts correctly.
- **Step 2:** Every application **must be submitted with supporting documentation that verifies the applicant's eligibility**. The documentation options listed in Step 2 of the application are the only accepted documents for this application. If ineligible documentation is provided, OurFamilyWizard customer support will reach out at the provided email address for additional documentation.
- **Step 3:** This step should only be completed on applications for applicants who are working with legal aid or are receiving other legal services **pro bono**. Step 3 must be completed by the legal practitioner and **cannot be completed by the applicant**. Legal practitioners completing this step must still provide a signed letter on their letterhead verifying that they are providing legal services **pro bono** or at a reduced rate.
