

# Military Family Discount Program

---

After a divorce or separation, families feel the strain of military deployments, relocations, and long-distance co-parenting. The OurFamilyWizard® website can provide military families with a way to stay connected, share information and keep everyone involved. In light of these unique challenges, OurFamilyWizard provides subscriptions to military families at a greatly reduced rate.

## Application Instructions

Please follow the instructions listed below when applying for an OurFamilyWizard military discount. If you have any questions that are not answered by these instructions, please contact our customer support team at **(866) 755-9991** or **info@ourfamilywizard.com**.

- **Who can apply?** Veterans and still serving members of the military are eligible to apply for the OurFamilyWizard military family discount. The parent with the military status must be the one to submit the application and must provide supporting documentation (such as a discharge certificate or current orders) to verify their military status.
- **How does it work?** If one parent purchases their account, the other parent will receive a complimentary subscription equal in length. Either parent can be the one to purchase their subscription OR receive the complimentary subscription.
- **Contact Information:** Applicants must be able to complete all required contact information fields in the application in order for their submission to be processed. Please provide a phone number and/or email address for the co-parent. This information is required in order for OurFamilyWizard to be able to connect parent accounts correctly.
- **Subscription Length:** If the applicant is the one to purchase the subscription, they must select a desired subscription length. Account options listed on this form include 5GB of storage space and Tonemeter™. If the applicant's co-parent has already purchased a subscription, the complimentary account will be matched to their co-parent's subscription length and details.
- **Payment Information: If the application is accepted, the credit card information provided in this step will be charged with the selected subscription option.** If the applicant is requesting a complimentary subscription and their co-parent has already purchased their own subscription, please enter 'Co-Parent Purchased' in the Credit Card Number field and leave the rest of the billing information fields blank.
